

## From the General Manager's Desk

March 2010

A new golfing season is under way and it is great to see a large number of new members doing so well in the competitions and mixing into the club. We have welcomed many new members over the past 6 months. Their names are listed in the following pages, so if you see an unfamiliar name on the timesheet put your name next to them and meet someone new. The recent rains have filled all the lakes on the course back to capacity and now the course will have every opportunity to pick up to the fantastic condition that we have come to expect. I would like to thank all the green staff for all their hard work during the maintenance program and during the wet weather. I am sure you will agree they do a great job. Well done boys! We will all enjoy it during the upcoming golf season.

Good Golfing!

Steve Hutchison

## Inside the Ropes

Our course maintenance program was completed with the coring of the 18th fairway on the 26th February, just prior to the heavy rainfall in the first week of March. The drought has finally broken and all the course lakes have now filled but unfortunately all bunkers are severely eroded. All lake levels at Twin Waters Golf Club are controlled by the ground water table and fluctuate up and down with the amount of rainfall received.

Rainfall recordings for the first 7 days of March totalled 347.5mm!

Mon 1st	30mm
Tues 2nd	161mm
Wed 3rd	80mm
Thurs 4th	24mm
Fri 5th	31mm
Sat 6th	1.5mm

Sun 7th 20mm

In comparison, only 494mm was recorded for the previous 8 months from July to February.

July 09	6.5mm	Aug 09	6.5mm
Sept 09	24.5mm	Oct 09	125mm
Nov 09	26mm	Dec 09	46.5mm
Jan 10	87.5mm	Feb 10	171.5mm

Golf course maintenance works program over the coming months will include the following:

1. Eradication of weeds from fairways & roughs
2. Removal of dead trees that did not survive the dry conditions of the past 8 months
3. Reconstruction of the practice bunker and practice green area
4. Removal of wintergreen couch from collars of greens on the back 9 holes
5. Drainage works to fairways 5, 9, 10, 11 & 14
6. Replace bunker drainage in selected bunkers

## Pennants

Twin Waters Golf Club has hosted both Mens "B Grade" and the Ladies Group 1 over the last few weeks with both days hosted with great success. Many of our visiting men and women had commented on our great course condition. Mens "B Grade" have had only 1 successful weekend during the season to date, but it was a fantastic result as they defeated the current champions, Tewantin Noosa! The Ladies weren't able to take advantage of playing at their home course last week, but we wish them well for the rest of the season. Good luck to the Men also.

## Membership Matters

**Limited Playing Members** are reminded that they **must** present a voucher to the Pro Shop staff prior to play, even for a non-competition round. If a voucher is not presented, the applicable green fee will be charged.

**Guest vouchers** must be used before **31st July**. Extensions will not be approved. Advance bookings for after July cannot be made for the vouchers. Members must play with the guest.

## NEW MEMBERS

## Staff News

**Nick Spencer** has left us to pursue a career in IT. We wish him all the best for the future. We will all miss him, especially during the AFL season!

Congratulations! to **Amy McCluskey** who has been promoted to Bar Supervisor in Nick's absence. **Shelly Richards** has been made a full time staff member so you will definitely be seeing more of her in the Restaurant and Bar on a daily basis.

**Karly Eslick** is also leaving us next week to follow a career in teaching and will be moving to Melbourne. Good luck!

**Matthew Gee** has joined us in the Bar and Restaurant. We have already affectionately nicknamed him "Bar Matt". Please introduce yourselves to him and make him welcome.

We are all on "baby watch" for **Cameron** and **Nadine's** baby due in April. **Wendy** is also due any day.

Welcome to **Glen Davies** as our new Trainee Professional in the Pro Shop
